Soulja Boy Under Fire!!!!

Soulja boy has some US Troops steaming at him, and for good reason!! In a "Freestyle attempt" **Soulja boy blurted the words "F** the army troops** and told them to be their own man"..... Say What??

TMZ Reports

A proud military veteran is demanding an apology from Soulja Boy -- after the rapper posted a video saying, **"f**k the army troops."**

Soulja ignited a wave of controversy this week over his new song, **"Let's Be Real"** -- which includes the lyrics:

"Fk the FBI and the army troops ... fighting for what? Be your own man ... I'll be flying through the clouds with green like I'm Peter Pan."**

TMZ spoke with Fred A. Flores -- a retired Marine who is now a commissioner for the L.A. County Veteran's Advisory Commission. Flores tells us, "It's a very offensive statement ... especially with the 10th anniversary of 9/11 coming up."

Flores -- who has two children currently serving in the military -- calls Soulja "Ungrateful" ... adding, "He should apologize to ALL armed forces."

"[The rap] is very irresponsible," Flores stated ... "especially for a person who is an entertainer for the youth of our country."

Soulja Boy's rep refused to comment.

SN: You guys should check out YouTube, there are so many freestyle disses to Soulja Boy's "Let's Be Real".
