Is Jamie Foxx dating Katie Holmes?

Word is that these two are trying so hard to hide their relationship that Katie Holmes has resulted into putting on disguises to meet Jamie at hotels. Jamie and **Katie are said to have been dating since 2013** and Jamie has referred to Katie as his girl. I suppose that I can understand the need to hide as much as they can. These are two high profile people and we have seen what happens to couples once their love is declared.

Katie Holmes is the ex wife of A-Lister Tom Cruise.
