Miami Heat 2012 Champions

Miami Heat took home the championship trophy this Thursday!! How many of us saw this coming? How many of us felt so bad when Durant burst into tears? I just wanted to hug him and say **“good game!!”** J

Club LIV (Miami) was the spot for Heat Players and fans. **MVP LeBron was seen drinking Ace of Spades, the 15-liter bottle**

(The champagne for champions), the cost is around 75K (a small house) There were performances by LMFAO and King LeBron himself (did yall know he could rap?)

LeBron James

“It’s about dam time”

Congrats Heat from 822!!! Our CEO said you would do IT!!
