Baby Royalty is definitely the new girl in Breezy's life. Since Chris Brown learned that he is a father he has been in love and just wants to be a father. **Royalty's mother Nia Guzman and Chris Brown faced off in court** today to fight for joint custody. Nia wanted full custody with Chris Brown having supervised visits along with \$15,000 a month in child support. Welp the judge said **NO WAY!!**

Chris not only getting joint custody, he gets to continue with the original monthly child support he was paying of \$2500.
