Evelyn's favorite position

"I like being on top. I'm a rider."

Has she and Chad ever had a threesome?

"Almost. It didn't quite happen."

Did the other girl eat the box?

"Yes"!

Has she had anal sex with Chad?

"Yes"

Does she swallow and toss the salad?

"Yes for both but wait let me make something clear, I have eaten a but not Chad's a**. He's not into that"**

What her freak number is from 1-10?

"11"

Does she care if Chad cheats?

"I care. I'm not going to say that I don't care, but I'm not going to stress myself to a point that I'm trying to do everything to stop him. Listen, if you want to go and f*ck then whatever, like I'm 36. I'm not trying to stress about that sh*t. It is what it is and I truly feel like a man is going to do what he wants to do no matter what you do"
