Beyonce's mom Tina taken to Atlanta hospital

Tina Lawson, formerly Tina Knowles visited Atlanta with her husband Richard for an awards show and had to be rushed to an area hospital due to an asthma attack. Tina posted a selfie from the hospital to her Instagram to let everyone know that she is OK.

Prayers up for you Tina!!

"I came to Atlanta with my hubby for an award show. I had an Asthma attack and wound up in a hospital here. Hope to be out tomorrow! ! Pray for me!"
