the liberty of recapping some of the highlights.

OK, I absolutely love "Mary J". and I've been singing "Anita Baker" songs since I was a kid, thanks to my mom, but honestly "Stephen Hill" and "Debra Lee" that was no way to open the "BET Awards" (IJS). I was worried that I would be disappointed but they pulled it off tremendously.

SN From Adreanne Liggins: "I knew INSTANTLY this was the way to open the SHOW!!! Mary J. Blige is ALWAYS a winner- I had NO DOUBT and LOVED that BELT. In fact I LOVE the entire jumpsit Mary wore which was designed by Marni Senafonte and a Giuseppe Zanotti belt(Thanks for the Info Style Genius Shemika) as she kicked off the show with a powerhouse performance of her songs "Mary Jane" and "Real Love" before being joined by the legendary Anita Baker on "Caught Up in the Rapture!!!"

AWEEEEESOME My Apologies Shemika(Shun)....I HAD TO SAY THAT Girlie...I AGREE The opening WAS DABOMB.COM-LOL!!! #ThatIsAll
