Straight Outta Compton Slays Box Office!

60.2 million was the final number after the movie **Straight Outta Compton premiered the weekend of August 14th.** The movie has since grossed over 160 million. That number surpasses Eminem's 8 Mile, and Biggie Smalls biopic Notorious B.I.G.

Plot Summary

In 1987, five young men, using brutally honest rhymes and hardcore beats, put their frustration and anger about life in the most dangerous place in America into the most powerful weapon they had: their music. Taking us back to where it all began, **Straight Outta Compton tells the true story** of how these cultural rebels-armed only with their lyrics, swagger, bravado and raw talent-stood up to the authorities that meant to keep them down and formed the world's most dangerous group, N.W.A. And as they spoke the truth that no one had before and exposed life in the hood, their voice ignited a social revolution that is still reverberating today. - Written by Universal Pictures
