Swizz Beatz Shines in "Paper Magazine"!

Swizz Beatz is a very busy family man, he has been in collaboration with Aston Martin automobile to create a 4 door model. Swizzy is also working with Reebok, and the great **Christian Louboutin**

, and yet he still took the time to sit down in an exclusive interview with Paper Magazine where he speaks about the perks of being married to the beautiful songstress "

Alicia Keys" and "Haute Living"

(his third album) which features

Eve, Bono, Lenny Kravitz, John Legend, Jay-Z, and Lil Wayne.

(Swizz Beats)

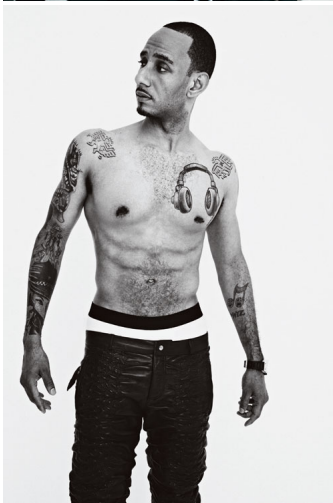

"Man, I crossed bridges in the industry that should stop water," he says. "Me coming from the South Bronx and partnering up with Christian Louboutin -- we're not supposed to be in that world!"

Check out the full interview in "Paper Magazine"
