Lil Wayne and Eminem Set Guinness World Record

Lil Wayne's Facebook page has the Most "Likes" on a Facebook Item, Weezy's fans posted 668,198 comments, in response to a challenge posted on February 15, 2011 to break the record set by Oreo cookies. **Wayne's fans posted over a half-a-million comments in less than 24 hours.**

Eminem's official page has 42.5 million "Likes," alongside major brands like Facebook itself, YouTube.com, Zynga and pop artist, Lady Gaga. Which Facebook page will be the first to reach 100 million likes? Whoever it is, you can be sure that Guinness World Records will be there to recognise all of these milestone achievements.
