Jay-Z and Kanye Release Tracklist for 'Watch the Throne'

Jay Z and Kanye West, Hip Hop's version of Apple and Microsoft, have finally dropped the tracklist for their uber-anticipated duo album 'Watch the Throne'. Amid all the deliberate hype and mystery surrounding the project, the two juggernauts have also finally managed to offer pre-order for the album. Don't get too excited about the expected release date, though, 'cause these two keep throwing different dates around like dollar bills!
