Who is Philadelphia's Craig Myers??

Just who is Craig Myers from Philly?? 822's CEO **swears** he is bout to blow, I don't trust anybody ears or eyes... ONLY my own so I did a little research on the Philly rapper and I have to say dude is **HAUTTTE!!!** Myers is originally from South Philly and has been a lover of music since he was a kid, he gives **thanks to his mom** for introducing him to music, sadly at age 6 his mom was murdered right before his eyes. **The Philly rapper shows admiration for rappers such as "Biggie Smalls"** Myers has put together several mixed tapes and is well known throughout Philly.
