N.O.R.E. Thanks Pharrell

A week after rapper Noreaga and superproducer Pharrell's latest video, "Finito," premiered online, N.O.R.E. took the time to thank Pharrell for his continued support and friendship. Pharrell and the Neptunes produced N.O.R.E.'s first major hit, "Superthug," back in 1998--a song that was among the first major hits produced by the acclaimed production team.

"Pharrell called me and made me cry he's one real mother f*cking person I will go to war for him!!!," N.O.R.E. tweeted. "I owe pharrell and Lil tunchi (Wayne) and Mack Maine big time and Mick the nerd army leader #Finito"

N.O.R.E. Thanks Pharrell
