Cant Stop WONT Stop!! Yes Last week after his New Orleans show...LIL Wayne released his new Album cover!! Its HAUTE but yet eery familiar!! I just want to know WHER does Weezy get the time? Hes currently on the All Music Tour with Nicki Minaj. I guess that why he gets the BIG BUCKS!! This Cat is always working!!

Below You can view a HIT by him and Rick Ross!!

Lil Wayne – John (If I Die Today) (Feat Rick Ross) [Music Video].

Here is the official music video for Lil Wayne's "John (If I Die Today)" single featuring Rick Ross. The visual, which was directed by Colin Tilley, was shot in Miami earlier this month. The track will appear on Weezy's Tha Carter IV album, and Birdman makes a cameo.
