50 Cent is a Super Hero!!

How many of yall think 50 is an arrogant, conceited mother (Shut yo mouth) Ha, Ha. 50 is indeed all of those things but I can't help but love him.

When Jeremih first hit the scene I have to admit I said he was gonna be one of those one hit wonders, just a cute face that happened to make a song everybody liked (Birthday Sex). That song still goes HAM!! But it wasn't enough. Jeremih's second album "All about you" has been a complete fail. Apparently Jeremih was in danger of being dropped from Def Jam Records when 50 jumped in on "Down On Me" and saved the day. As in most of 50 Cents choices this was definitely a great one, his verse is just what this song needed. The proof is in the Billboard Numbers.
