"Emotional" with featuring Dej Loaf

Did anybody know that Sanaa was musically talented? Sanaa just dropped a record with Dej Loaf entitled "Emotional." The song was released at the perfect time because the lyrics describe a "Bug A Boo" type of dude with verses like "Baby why you call so early, and always checking up on me," basically describing Michael Ealy on her new movie The Perfect Guy.

The 822 gives it two thumbs up Sanaa and Dej!!
