Ja Rule - Jailed!!!

Lloyd's performance at the Diddy Dirty Money "Coming Home" show (Hammerstein Ballroom) came with a bit of a surprise. The crowd went wild when Ashanti and Ja Rule hit the stage with their rendition of the hit single **"Always on Time"** (*still the ish*). This unfortunately will be Ja's last time to hit the stage, (at least for 3 years). The rapper has pleaded guilty to 2 counts of tax evasion where he agreed to pay 1.1 million in back taxes and is currently free on 500,000 bail. He will be sentenced on June 13th, one week after he is to report to jail to begin serving a 3 year sentence for a weapons possessions conviction in 2007.
