Diamond with Soulja Boy?? Lil Scrappy with Buckeye??

AIN'T NOBODY TOLD ME NOTHING!! (*In my Bernice Jenkins Voice*)Ha :D

Where's the love? One week we were oohing and awwing over the couple's photos because they seem to be so into each other. Didn't he give her an engagement ring? Now there are pictures surfacing of Diamond lovey dovey with Soulja Boy and pictures of Scrappy with Buckeye??!! In case you're wondering WTH is Buckeye?? She's one of the Flavor of Love girls. (Go figure). Anywho, in this business I'm prepared to see relationships rise and fall but what I could never be prepared for was how Moma Scrappy went HAM on Diamond when she called into HOT 107.9. Here are a few choice words from Moma Scrappy to Diamond.

Okay, the b***h done got breast implants and booty shots, the b***h ain't real first of all. Secondly, Soulja boy is gonna come behind him anyway. So at the end of the day Scrappy is chilling, he's fine, he's the Prince of the South and he got it good. He's living good and he ain't thinking about that b***h...dirty low down b***h.

She lied like a motherf**ker! Called Scrappy back, talking about I was just hanging out with him. Whooooooo! I want to put my hand around that b***h throat. I want you to go on the radio and say "Mama D is angry because you don't mess with Mama D son." But you know what ladies and gentlemen? Her son is doing good. The Prince of the South is still the reigning prince because he's chill like that, he's gonna keep it pimpin'.

It's f'd up how she did it...low down dirty b*tch. She's lucky I don't take [inaudible] and pimp her azz. She gonna give it up like that, she might as well get some money for it hoe. Scrappy, Mama D, we gonna keep it G, ya heard me? Let the radio know that Scrappy the Prince of the South is still the reigning Prince and he's chilling on South Beach, okay, with a beautiful lady. He ain't stunting that sh*t there, he's all good.

Boy these rappers are gangster for a reason!! They get it from they moma!! LOL
