Chris Bosh PLEADS with His Baby Mama!!!

Chris Bosh wrote an extremely kind email pleading with the mother of his children. His only request is to spend time with his lovely daughter....DURING the playoffs!! I must commend Chris; he has his priorities IN-CHECK!! While everyone is glued to the television watching an AWESOME playoff season, all he wants is his daughter. BEAUTIFUL!! WHY is his baby mama Allison holding out? I'm not sure, BUT it's hard enough to get black men involved in their children lives without the BABY MAMA DRAMA. So she REALLY needs to put any grievances aside and just move forward. There isn't any public record of violence or harm so what the problem? She's VERY fortunate to have a father figure for her child that actually puts his child BEFORE his career. This is a very difficult situation so Chris HOLD YOUR HEAD UP!!

Dont Worry Bosh filed an emergency motion a Maryland court last week -- asking the judge to temporarily alter their agreement so Trinity, Bosh's 2 year-old daughter is able to share in what, to date, is the highlight of Bosh's professional career!!

UPDATE-06/17/2011

Chris Bosh's baby momma DRAMA - Take 2

I knew that letter Bosh wrote to his daughter's mom and made public was not going to sit right with with his ex "Allison Mathis", who has since filed lawsuit in Orlando Florida. Reports state that the lawsuit is in reference to Bosh preventing her from being on the show "Basketball Wives". Mathis claimed that she signed a deal with the producers and had already taped two episodes, she also includes a copy of her contract which states that she would stand to make 2,500 per episode for the first five shows and 5,000 for each additional. According to the filed lawsuit Bosh threatened the producers with a lawsuit if they were to put Allison on the show which ultimately got her fired.

I find it rather suspect that we are hearing of a lawsuit AFTER Bosh releases a letter stating how desperate he is to see his daughter. People didn't take to well to this, making Allison look pretty bad and now it looks like she is out for blood!!

Are there any NBA players out there that doesn't have a scorned ex?

Allison,

I am embarking on a new chapter of my life by making it into the finals for time in my professional career and it's very important to me to have the people dear to my heart to be able to share these moments with me, one of the individuals only daughter Trinity. I have asked to have access to her at the beginning of the 2 weeks ago, before I head to Dallas for a week or longer. I will continue to be till Sat and I still want to see her before I leave town. If we can make this happen respond asap and I will set up the arrangements for pick up/drop off without you to lift a finger.

It's been almost a month since my last visit with her and I'm not quite sure won't even respond or why you insist upon keeping her from me. I would hope that initiating a close relationship with our daughter would make you happy and in response would make it a top priority to communicate with me about her or at least allow me access to her.

With her not being enrolled in any type of school and with you currently with professional responsibilities I'm not sure why we are still having constant scheduling conflicts? I will continue reaching out in hopes of seeing my daughter sooner rather later but if you have any suggestions on how we can positively remedy or communicate this situation I'm open to hear them.

As I have always told you she is currently and will always be a top priority. I love her dearly.

Hope that you two are doing great.

Christopher Bosh
