BEHIND!!

Wait a minute did he REALLY mail a 76,000K ring in the mail? DANG that brother was in LOVE!!! The MAIL? IDK Man....Roy said 6 weeks later he asked her about the ring and she said she lost it but he has since found out her father has the ring so Roy is suing them BOTH!! Michael Daniels, Brooke's father and a co-defendant in the lawsuit, has said he has possession of the ring and plans to return it to avoid further legal issues.

A Brinks Truck and delivery guy in a Tux would have been much sexier Roy!! Registered Mail seem soooooo IDK...BLAAAAAH!!
