LaLa's "Full Court Life" Trailer

VH1 reports "In this series, we follow La La as she transitions from her relatively sleepy life in her sprawling Denver mansion to the hustle and bustle of New York City when Carmelo is traded to the Knicks.

She must negotiate all the stresses that any move brings while keeping her brand new marriage and young son a top priority.

Add to all of this La La's acting career, which is just picking up steam as she attempts to transition from humble host to Hollywood hotshot. But despite her and Carmelo's respective successes and an **A-list lifestyle that keeps them in the company of some of the biggest celebrity names such as 50 Cent, Kelly Rowland, and Serena Williams**

, they remain a down-to-earth couple who have never forgotten where they've come from.

Open and always willing to be real, La La uses her honesty, charm, and sense of humor to deal with the genuine ups and downs of her Full Court Life

".

Look for La La with her friends **Kelly Rowland, who she went with to get a tattoo, and Trina, who she sets up on a blind date**

.

Premieres August 22nd on VH1!!!!!!!
