Stacy Dash says goodbye to "Single Ladies"

The rumors are finally laid to rest now as "Stacy Dash" has finally spoken. This is Stacy's statement made to "Global Grind".

"I truly enjoyed playing Val on 'Single Ladies', but I have decided to leave the show. I have to be back in LA with my children right now and the 'Single Ladies' shooting location makes that impossible. I wish VH1 the best of luck with the show and in maintaining the strong fan base we developed in season one."

VH1 had this to say

"VH1 respects Stacey's decision and her commitment to what she feels is best for her family. We thank her for all of her hard work in making 'Single Ladies' a success right out of the gate, and we wish her nothing but the best in her future plans."

Season two of Single Ladies is set to air soon, the questions are..... Will you watch, and Who (if anybody) can fill Val's Louboutines??
