### Stacy Dash says goodbye to "Single Ladies"

The rumors are finally laid to rest now as "Stacy Dash" has finally spoken. This is Stacy's statement made to "Global Grind".

**"I truly enjoyed playing Val on 'Single Ladies', but I have decided to leave the show. I have to be back in LA with my children right now and the 'Single Ladies' shooting location makes that impossible. I wish VH1 the best of luck with the show and in maintaining the strong fan base we developed in season one."**

**VH1 had this to say**

**"VH1 respects Stacey's decision and her commitment to what she feels is best for her family. We thank her for all of her hard work in making 'Single Ladies' a success right out of the gate, and we wish her nothing but the best in her future plans."**

Season two of Single Ladies is set to air soon, the questions are..... Will you watch, and Who (if anybody) can fill Val's Louboutines??
